GLCU Giveback Makes Holidays Brighter for 20 Members

In the spirit of banking for a greater good, GLCU wrapped up 2024 with a giveback initiative, giving \$5,000 to 20 members in our Holiday Giveback promotion. GLCU encouraged members to complete a form indicating what an extra \$250 would mean to them this holiday season. The responses ranged from "helping aging parents afford Christmas, to assisting a struggling young adult attain career counseling, to using the money donate to children less fortunate," proving that like GLCU, our members also have a philanthropic mindset, with most saying they would use the \$250 to help others.
