You acknowledge and agree that any wire transfer is subject to the rules set forth in Great Lakes Credit Union's Terms and Conditions governing funds transfers.

If your payment order identifies an Intermediate Financial Institution, Beneficiary Financial Institution, or Beneficiary by name and number, we and every receiving or Beneficiary Financial Institution may rely upon the identifying number rather than the name to make payment, even if the number identifies an Intermediate Financial Institution, person or account different than the Financial Institution or Beneficiary identified by name. Neither we nor any Receiving or Beneficiary Financial Institution have any responsibility to determine whether the name and identifying number refer to the same Financial Institution or person.

You agree to hold the Credit Union harmless from and against any and all claims, demand losses, damages, actions and causes of action including expenses, costs and reasonable attorney's fees which the Credit Union at any time may sustain or incur by reason of the Credit Union's having relied upon the information provided.

Your signature below indicates you have the authority to execute this funds transfer request from the account(s) listed above. Great Lakes Credit Union may rely on the information you have provided in this request to execute the wire transfer.
